Try out the latest winter gear at Winter Trails Day 2006

ANCHORAGE – Want to test drive a new pair of skis or snowshoes? Need a little help with that new outdoor gear you received over the holidays? Want to learn Geocaching? Then don't miss Winter Trails Day 2006 at the BLM Campbell Creek Science Center Saturday, Feb. 11, from 10:30am to 4pm, sponsored by the Bureau of Land Management and REI.

Experienced BLM and REI staff and volunteers will teach winter skills and promote safe and responsible outdoor recreation techniques. Activities include guided skiing and snowshoeing (bring your own or try our demo equipment), skijoring and championship sled dog racing demonstrations, fun sessions about Geocaching, building snow shelters, and much more!

Dress warmly and come for an hour or bring a lunch and stay for the day. We'll even provide hot beverages and snacks.

**The BLM Campbell Creek Science Center is located at 68th Ave & Abbott Loop Rd.
For more info, call the BLM at 267-1246 or 267-1247.**
